# FROM THE TEAHOUSE

## OUR TEAS

*All our teas are sourced from Rare Tea Co. Established in 2004 their mission is to source and supply the world's best loose-leaf tea - direct from farmers and their tea gardens. We control the amount of tea, the temperature of the water and the length of time it infuses to make sure the tea comes to you in perfect condition.*

### **MASALA CHAI** ..... €7

India's spice-infused masala chai has become one of the most famous brews in the world - so popular that in most places the word "chai" (which simply means "tea" in Hindi) is synonymous with the Indian brewing style. The spices in masala chai change from region to region, but a typical chai blend will contain cardamom, cinnamon, ginger, cloves, pepper, mace, and nutmeg, simmered slowly with milky sweet tea.

Our Teahouse Masala Chai is made using a secret blend of ten spices, steeped with our house "One Hump or Two?" black tea blend, whole milk and sweetened with jaggery, then "thrown" back and forth by our chaiwallahs (OK, by the bartenders) to cool it to perfect drinking temperature and give a delicious frothy texture.
